ABOUT US

Founded in 1970 as Creswell Industrial Supply, we've been proudly serving Chattanooga and the surrounding region for over 55 years. What began with Bob Creswell's vision of building the #1 Bearing and Belt house in Southeast Tennessee grew even stronger with the 2009 acquisition of Richardson Electric.

Today, Creswell Richardson is your trusted one-stop shop for high-quality industrial supplies. Backed by decades of expertise and a dedicated team, we're here to keep your operation running smoothly—no matter the challenge.

HOW WE SERVE

Specialized Inside Sales Teams

Experts for mechanical, pneumatics, electrical, industrial supplies, and more.

24/7 Service

Always available when you need us most.

SMC Build Center

Home to the Southeast's only on-site SMC Build Center, delivering faster, customized solutions in manifold manufacturing and system integration.

Kitting, Build & Design

From customized kits and extrusion builds to engineered designs, we streamline supply and create solutions tailored to your operation.

Text Support Line

Can't figure out what it is? Text us a photo! 423-894-4117

With over 7 million parts in stock and a full range of services, Creswell Richardson goes beyond distribution to keep your business running.

WHY CHOOSE US

We carry an extensive range of industrial products from over 500 trusted suppliers—so you'll always find the right part, right when you need it. Whether it's Electrical Supplies, Bearings, Power Transmission, Pneumatics, Fluid Power, Safety Gear, Aluminum Extrusions, Marking & Coding, or Panel Building—we've got it all under one roof.

Our team is here to listen, adapt, and help as your needs change. We're not just about filling orders—we're about building lasting relationships that make your job easier and your business stronger.
